

# Tilt Attach

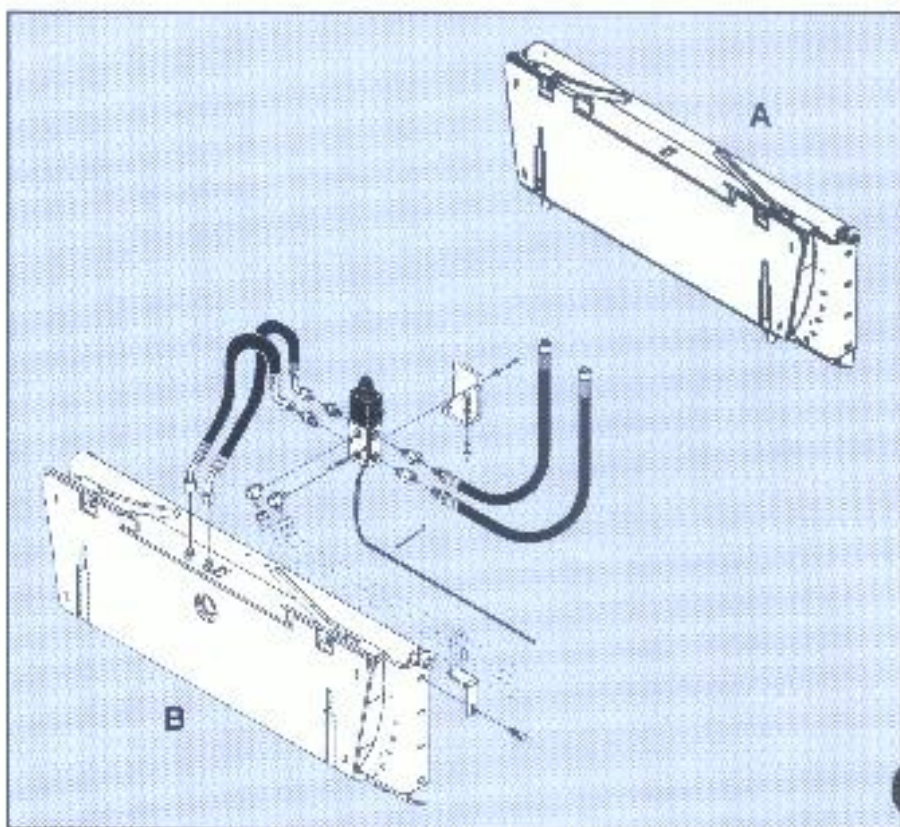

## FEATURES & BENEFITS

Fully utilize your skid-steer loader on hilly terrain with BRADCO's Tilt Attach.

- Attaches to a skid-steer universal hitch to tilt 18° left and right.
- Trenchers can be tilted to cut a vertical trench – even on side hills.
- Tilts buckets and landscaping implements for more precise grading and leveling.
- Allows the BRADCO® Postmaster to drive posts vertically on different slopes.
- Valve package is mounted on Tilt Attach for use with hydraulic powered attachments.
- Simple connection by electric wiring keeps valves and hoses out of operator's cabin.

*Specifications and design are subject to change without notice and without liability.*
